DuraGreen®

Pallet-Pack

A product of RPP Containers

The DuraGreen® Pallet-Pack can be used in a wide variety of applications. Its exceptional strength-to-weight ratio allows this 60-pound container to stack thousands of pounds. The top and pallet are made from durable, twin-sheet thermoformed plastic and the sleeve from heavy-duty, triple-wall corrugated cardboard. Its light weight allows for easy handling, excellent ergonomics and worker safety.

RPP Containers® warrants its DuraGreen® containers for proper fit, form and function for a period of one year from date of shipment by RPP Containers. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e. forklift damage etc). Customer is responsible for all freight charges.
